SCAN

Our AI Ecosystem Explained

Proof of Concept

Education & Training
NVIDIA DEEP LEARNING INSTITUTE

Development, Training & Inferencing Hardware
Hewlett Packard Enterprise · EXS Systems · NVIDIA · intel · ADVANTECH

Professional Services
SCAN

Optimised Storage
NetApp · PNY · Peaka.io · DELLEMC

Secure Managed Hosting
NVIDIA ELITE SOLUTION PROVIDER · interxion · GOONHILLY · iomart · UNITAS GLOBAL · Cyxtera

Fast Connectivity
Mellanox · NVIDIA · scancom

Software Solutions
run:ai · H₂O.ai · omni·sci
Here are the 8 stages of the AI Ecosystem:

- Guide Proof of Concept
- Optimised Storage
- Software Solutions
- Professional Services

- Deep Learning Hardware
- Fast Connectivity
- Secure Managed Hosting
- Education & Training

The Scan AI Ecosystem has been created so you have a trusted partner at every stage of the AI journey – whether you're in early development of a model, in the midst of repeated training cycles or working on a complete inference deployment. Our in-house AI experts backed by our system design and build teams are able to offer bespoke solutions that solve your AI challenges. Furthermore, we are complimented by a whole host of hardware and software partners enabling us to deliver end-to-end AI optimised architectures configured to get the maximum return from your investment and the deepest insight from your data.
